If you need money for college in 2000 and have earned the Mitchell, you will need to plan on having your application to me by 25 Jan 2000.

### **Website**

The Cadet Program webpage is constantly being upgraded because of the need to improve our program. The National HQ newsletter from CP lists the many projects being developed. Much of this information will be linked through our page. I am finding it necessary to check the resources often to stay current, and I recommend the same for you that are sources of knowledge for the cadets.

### **VACATION**

Scotland, right at the end of the tourist season should be great.
